

Early Learning Class Offerings in the White Center Community

The White Center Early Learning Initiative (WCELI) is committed to increasing access and availability of professional development opportunities for early learning professionals. As partners in WCELI, Child Care Resources and Puget Sound ESD are offering the following summer quarter classes. These include offerings made available through Seeds to Success. If you are outside the White Center area and are interested in enrollment, please contact Child Care Resources for space availability.

**FREE Mandatory Child Care Subsidy Billing Training—
Coming this summer to White Center!**

By now you've heard that all licensed family child care providers who take child care subsidy payments from the state are required to take a subsidy training. This training will cover subsidy billing, including recent changes to the rules. Find out what you can bill for and how to make sure your payments are correct.

Dates and times coming soon!

For more information, please call Child Care Resources at 206-329-5333.

You can also take the training online at: www.childcarenet.org.

- Look under "spotlight", click on subsidy training link, and choose "for licensed providers", and "I am a new student.")
